

# Premier Partner Program for Garden Centers

**SavATree invites like-minded businesses with an excellent reputation and exceptional service to become our Premier Partners.**

## Why should we partner?

As you know, even the healthiest stock needs proper care in order to thrive. A premier tree, shrub and lawn care company, SavATree will ensure that any of the plant material purchased from you is well maintained. Regardless of whether you offer a guarantee, healthy and beautiful plants build customer satisfaction, repeat business and referrals.

Speaking of referrals, we are often on landscapes where high quality plants are needed or desired, or clients are looking for a new landscape design or installation. We are happy to recommend your company to these customers.

## Ask An Arborist

Our professional arborists are available to participate in an upcoming event on site, or simply set up an Ask An Arborist booth on a busy weekend. They have the expertise to offer advice on any plant health care issue or recommend particular trees and shrubs for specific conditions and locations.

## Free Gift for your Customers

We will provide ten certificates\* for a free service (each worth \$240) for you to give to your most valued customers. This consists of a 150 gallon ArborKelp treatment in conjunction with a complimentary landscape assessment by a professional arborist. The ArborKelp will give their trees and shrubs a nice boost for the season.

*\*Please note that the certificates are for homeowners only and are not transferable.*

**Let's partner for our mutual benefit and the benefit of our customers!**
